2022/2023 WORK LIFE

A step in the right direction

On-trend & relatable

We're proud of our 33-year history of producing high quality uniforms. Our superb ranges are designed with local markets and customers in mind. We begin by researching the latest global fashion trends and pairing them with our customers' needs to create timeless pieces that are comfortable, durable and trans-seasonal.

Environment change for the better

Fashion Biz aims to change the culture of garment manufacturing and design more sustainable packaging, increase recycling rates and minimise packaging consumption to reduce our domestic environmental impact. We continue to review all our plastic packaging procedures to reduce, reuse or recycle wherever we possibly can. You can find out more about our Environmental journey, Corporate Responsibilities & Accreditations by visiting our company website: www.fashionbiz.com.au

In most states we have a library of fit ranges available to help you conduct fittings and borrow samples easily and efficiently. Because Biz Corporates holds stock in multiple warehouses across Australia and New Zealand, we ensure your orders are processed, picked and dispatched quickly and efficiently.
