# SIZING

Chef Works has the perfect fit for you. To find your perfect fit, we've provided you with three easy-to-follow steps outlined below.

Please note our proprietary designs give Chef Works garments individual fits to allow for maximum comfort and function.

## FIND YOUR PERFECT FIT IN 3 EASY STEPS

- 1** | How do you want your garment to fit? Choose your fit from the colour-coded charts shown on the next few pages.
- 2** | What are your measurements? All of our garment size charts refer to actual chest, waist or hip measurements. Match yours to our charts to find your size.
- 3** | Pick your garment!

## MEASUREMENT GUIDELINES

To get the best fit, stand straight and relax. With a measuring tape, use the illustration shown at the right as a guide and follow instructions below.

**CHEST:** Measure all the way around your body from the fullest part of the chest/bust with your arms down.

**WAIST:** Measure around your natural waistline above the hips.

**HIPS:** Measure around the widest part of your hips.

**INSEAM:** Measure from the base of the crotch to the bottom of your heel.
